

Dear Colleagues,

A general invitation is extended to authors to submit journal papers for publication in IJECT. The journal is an official publication of Indian Society of Extra Corporeal Technology (ISECT). The journal publishes articles under following categories

**original articles, clinical and experimental papers, case reports, review articles, letters to the editors, book reviews in the field of perfusion, monitoring and organ protection**

The following guidelines should be noted

1. Please send two hard copies complete in all respects along with one copy in CD. The article can also be sent through e-mail as attachment with two hard copies.
2. The article should be accompanied by a declaration from all authors that it is an original work and has not been sent to any other journal for publication.
3. The manuscript should meet the international uniform requirements as per style and formatting (refer to instruction to authors)
4. As a policy matter, journal encourages articles regarding new concepts and new information.

If you have any question and need clarification, please feel free to contact me any time on my mobile or by e- mail. Thank you

With best wishes & warm regards
